# In-House ONLINE PRACTICE LAB @Resonance

Since the announcement of JEE(ADVANCED) last year, we have started preparing our students for the online exam pattern and have proactively strategised for the new change in the pattern of the examination.

Even after the recent announcement of JEE(MAIN) to be conducted twice in a year on CBT mode (Computer Based Test) from 2019, Resonance is thoroughly prepared to incorporate this change, as we have already set up online testing labs .

We believe it is a positive change. Online exam saves time, Candidates can edit & re- edit answers multiple times, A coloured panel to keep one updated about the status of the exam, less the scope of printing errors, Evaluation process gets better and error free.

Aligned with our Vision – 'Excellence in career education' and Mission – 'Practice, Persistence and Performance', Resonance as one of india's leading educational institute, with proper planning and execution, would leave no stone unturned to make sure that our students stand tall in all the upcoming examinations.
